

MINUTES OF INDUSTRY DAY

Solicitation F64605-04-R-0029
Air Mobility Operations Control Center (AMOCC)
Hickam AFB, Hawaii

1. An Industry Day for the subject solicitation was held on 24 Apr 06. Initially everyone whereupon they boarded a bus to go to building 2155 where the Coronet planners work. Afterwards the group traveled to Hanger 3 to see the PAOC AMD operational site. From there everyone assembled in building 1102 in the Kenney Conference Room for a contracting and PAOC AMD briefing. After the briefing, the group was taken on a tour of the PAOC AMD.
2. All attendees were advised that any questions or responses were not binding unless made in writing.
3. Highlights of the Industry Day are as follows:
 - a. All interested parties met at building 1102 "Courtyard of Heroes" and then were transported by bus to building 2155 at 0930.
 - b. Attendees were transported to building 2155 to see the coronet operation and the alternate work location for the PAOC AMD (conducted by Lt Col Richard Edwards).
 - c. Attendees were then transported to Hanger 3 for a tour of the AMD area at 0955.
 - d. At 1040 a joint briefing was then held at the Kenney Conference Room in building 1102. The Contracting briefing (Mr. Darrell Strahan) and the PAOC AMD overview briefing (Lt Col Richard Edwards) further explained the scope of work and how it would be procured.
 - e. At 1100 Lt Col Richard Edwards conducted a tour of the PAOC AMD operation. The group then moved to the Operational Support Activity (OSA) and Theater Patient Movement Reservation Center (TPMRC) before ending the tour.
 - f. Government employees attending:

Col Mark Andersen	Division Chief, PAOC AMD
Lt Col Richard Edwards	Deputy Commander of PAOC AMD
Lt Col Mark Glynn	Director of Operations, PAOC AMD
Mr. Ronald Severs	Deputy Quality Assurance Supervisor
Mr. Darrell Strahan	Contracting Officer
Mr. Paul Cunanan	Contracting Officer
 - g. The tour ended at 1140.

DARRELL L. STRAHAN
Contracting Officer
